OFFICIAL

REQUEST FOR FACE-TO-FACE INTERVIEW

The Applicant is in receipt of an Office Action (O.A.) on this application, mailed 2/6/04. All claims were rejected under 35 USC §103(a) on the basis of combinations of Bates, Carter, Kiernan and Powell.

AGENDA

1. The Applicant would like to demonstrate the invention, and show how it is distinguishable from the prior art cited by the Examiner.
2. In particular, the applicant does not believe that clicking on a hyperlink meets the limitation of claim 1, which requires an operation to be performed on "an entire portion of the text represented by at least one element of the outline." Thus, the Applicant would like to discuss the relevance of the prior art to the claimed invention.
3. Based on the discussion of items 1 and 2, if the application is still not considered to be in full condition for allowance, the Applicant would like to receive constructive assistance and suggestions from the Examiner, pursuant to MPEP 2173.02 and 707.07 (j).
4. The Applicant would like to discuss any other outstanding issues that, in the view of the Examiner, need to be resolved before a patent can be allowed.

I am available to meet with the Examiner at most times during regular business hours. You may contact me either at (301)-365-8555 or on my cellular telephone at 301-922-2592.

Very respectfully,

Philip R. Krause,
